

DOG TRAINING – DOG OWNER CLASSES

An introduction to our three-week learn-to-train program.

We are so excited to get started on this journey with you and your fur-pal. Our Basic On-Leash Obedience program will help you build a healthy and reliable dog-owner relationship.

We start off with a free consult, during which we evaluate your pet and gather your feedback on their behavior, in order to determine whether our program is right for you.

Our fur-students learn through a balanced approach to training developed by Top Tier K9, recognized as one of the top dog trainer schools in the world, paired with your utmost consistency, as the pet's handler.

Dogs need an average of 3 weeks of consistent training for the new skills to move into their long-term memory. You will be required to train your pup through multiple training sessions per day, for the entirety of the 3-week program, setting your pet up for success.

Our Top Tier K9 Certified Pet Trainer will teach you the basics of dog training, dog behavior, and overall pet-wellbeing. We train you to train your pet in a family-home environment, with plenty of distractions and real-life scenarios.

If you are not confident that you can provide your dog with the time & consistency required for training, you may want to consider our board-and-train program instead.

ABOUT US

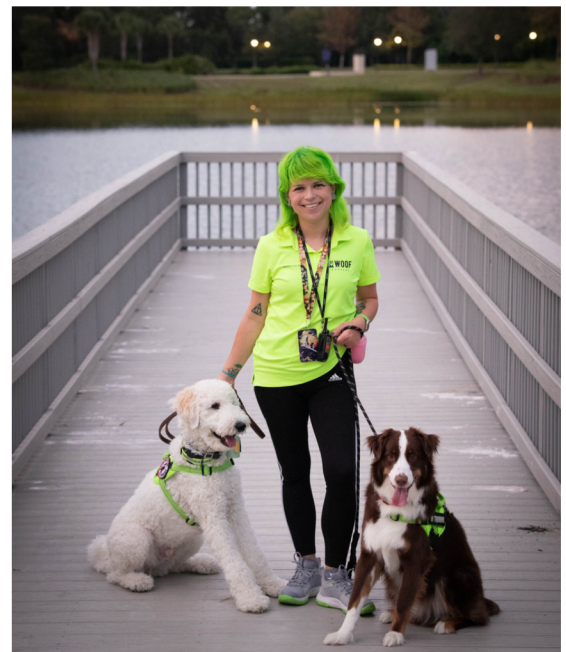

Our Story

As a family, we've always shared a profound love for pets. We've had our fair share of animal-pals join our family throughout the years - from reptiles, to fish, to rodents, you name it!

It wasn't, however, until we adopted our two dogs, that we learned how truly rewarding having canine companions is. Haru and Pippin (our pups), have positively impacted our lives in so many ways. This is what ultimately led us to start offering reliable professional pet services to our friends and community.

Our goal is to help other families have the same experience with their pet-pals, with someone reliable and trustworthy to pet-sit while you are away, walk your woof-pals when you are busy (life is hard, we get it!), and provide pet obedience training that works!

We care. And our credentials show it:

- Top Tier K9 Certified Pet Trainer
- Insured by Pet Care
- Licensed with Hillsborough County
- Clear Background Checks, by Checkr
- American Red Cross Pet CPR Certified
- Local & Family Owned

“Working with dogs is a privilege I feel fortunate to have.”
